## **A Cry of Serenity** McKeshha C Neeley

A Cry of Serenity is not only the title, but it's what I feel after I write. I started to write the book when I was a freshman in high school. Lots of people would say that at a young age like that, that there isn't much I could be talking about besides crushes and broken hearts. They couldn't be more wrong or misinformed. In today's world, it's hard to be a child when we're surrounded by constant violence and war, drug problems and peer pressure, financial woes, and other hardships. While everything I write about isn't directly about me, I can draw feeling from people and situations.
