Bear Lake A B Lee, M L Briers

Alex was done. She was out of Bear Lake and away from the clan and the sexy alpha shifter that wanted to claim her as his mate. A life with a bear clan that thought drawing blood and fighting everyday was normal wasn't for her.

Jackson was prepared to let her go if that was what she wanted. Half of his pack thought he should carry her off and mate her and the other half left the decision to her, and Alex was fixing to leave. Chance, his second, wasn't prepared for his alpha to be mateless, but when he confronted her and his bear tore loose within him, Alex's life was in peril, and Chance didn't have a whole lot of control over his bear.

But it wasn't just the bear that wanted Alex dead. Whatever was chasing her from her past was about to catch up to her, and Alex found herself fighting for her life. It was then that Jackson realised that he didn't know a damn thing about his mate at all.
