Did you know that a baby can be preselected for gender, that you can now virtually pick "pink" or "blue"? This book tells you how. Chasing the Gender Dream is a detailed guide to gender selection of a child-from the perspective of someone who researched all the methods for conceiving a daughter, who tried a few and who ultimately succeeded. It also relates others' experiences with sex selection and provides the latest news about available laboratory technologies for "family balancing." If you're interested in knowing what home methods increase your chances of conceiving a boy or girl, what is being done in high-tech gender determination and what it's like to undergo fertility treatments for sex selection-Chasing the Gender Dream has all the answers.
