## CONTRITE Kathy Coopmans

Clove Calloway knows within an hour of picking up her husband Turner from the airport that something is different, yet she can't pinpoint what. Together since college, they know everything about each other... so why has she spent the last few days watching everything he does, hoping for a clue? What could have happened within the week he was gone?

One way or another, she's going to find out.

When Clove enlists the help of her brother Zach, a police detective, she's afraid her suspicions of infidelity will be confirmed. Terrified that such news will crush her heart, she sets about preparing for the worst, only to find it's much more than she could have imagined- there is no other woman.

Clove's life is about to descend into a web of deceit, lies, and betrayal.

Appearances can be deceiving...and only the Master Manipulator will be left standing.
