Matt and Ben enjoy some steamy sex after Ben exits a hot shower oozing masculine charm like Matt has never seen. It's more new experiences for Ben as Matt has his way with Ben's squeaky-clean body.

Their second hunt in New Orleans, takes them to an old cemetery that has a problem. Weird sounds, loud scratching and vaults slamming shut cause Matt and Ben to believe they might have a demon. After smelling and seeing sulfur, their fears are confirmed.

As they pull the power from their location to fight this supernatural entity, they look to the future and whatever comes next for them. A happy ending in the apartment shower takes the edge off the scary day as their time in New Orleans reaches its conclusion.
