When I got to college and met my new dorm mate, Sheila, I was intrigued. She was everything I wasn't. In a word, she was experienced. When she found out I wasn't all that adventurous, she determined to fix that. I never thought I'd have group sex on my second day in college. I certainly never thought it would happen while I was also having my first lesbian sex. And nobody could have told me this threesome would happen outdoors where anybody could see!

Warning: This ebook contains very explicit descriptions of a public sex threesome and includes and first lesbian sex. Only mature adults who won't find that offensive should read this story.

I followed along but I asked her why it was so important to meet him now instead of waiting until his classes were done. She told me they had a date in the evening and she'd be meeting him just in time for them to hop in his car and leave. It wasn't a very good explanation, but it was all I got, so that was that.

Anyway, she brought me to a bench behind the library, and we sat and waited for him. She was giggly and excited, and that made me a bit giggly and excited as well. Finally, I saw a very cute boy walk around the corner of the library, see us, and smile. She ran up to him and hugged him, and while she was on tiptoes, I realized she had no panties on! My first thought was that she was a completely naughty free spirit (I couldn't think of her as a slut) and when it hit me that I had no panties either, I couldn't stop giggling. The two of them walked up to me, and she had a really bright smile. I could tell she liked Harry a whole lot.

"Is this her?" He asked, and Sheila nodded.

I stepped forward and extended my hand, and Harry took it but didn't shake. Instead, he pulled me to himself and the next thing I knew, I was right in the middle of my very first kiss with a boy, and the second time in my life I'd been kissed. His tongue pushed into my mouth, and I got a bit weak kneed, but then I felt a sudden and unexpected surge of pleasure. Sheila had knelt beneath us, pushed her head up my skirt, and attacked my pussy with her mouth.
