A must for travelers interested in finding needlework in Italy. The antique techniques provide design inspiration for all embroiderers and lace makers. The photographs of each technique will assist collectors and antique dealers in identifying pieces they own. Costume designers will find many ideas which can be used even today. The book contains a very helpful vocabulary of often used words in this area of research. This 146 page book contains over 84 colored photographs and 25 black and white photographs.
