Report from Ground Zero. Collector's Edition in Full Leather Dennis Smith

Book Description Publication Date: March 18, 2002 The tragic events of September 11, 2001 forever altered the American landscape, both figuratively and literally. Immediately after the jets struck the Twin Towers of the World Trade Center, Dennis Smith, a former firefighter, reported to Manhattan's Ladder Co. 16 to volunteer in the rescue efforts. In the weeks that followed, Smith was present on the front lines, attending the wounded, sifting through the wreckage, and mourning with New York's devastated fire and police departments. This is Smith's vivid account of the rescue efforts by the fire and police departments and emergency medical teams as they rushed to face a disaster that would claim more than five thousand lives. Smith takes readers inside the minds and lives of the rescuers at Ground Zero as he shares stories about these heroic individuals and the effect their loss has had on their families and their companies. Written with drama and urgency, Report from Ground Zero honors the men and women who-in America's darkest hours-redefined our understanding of courage.
