Voluptuous, copper-locked journalist Caprice LaCroix is on her latest mission to uncover the rapper Mac Teek's scandalous affair in glamorous Saint Tropez, France. With her boy toy photographer and sometimes-sex-partner John in tow, she decides to get back at her biggest journalistic competitor, Philipp Bergmann. Of course, Caprice's revenge includes a yacht, which happens to include a sexy brothel, bondage, and just a little bit of blackmail. Getting back at Bergmann never hurt so good. But will Caprice be ready to ride the waves of passion that arise when she opens the Pandora's box of her love/hate relationship with her raven-haired rival?

-- Caprice is an erotic series that follows best friends Maren and Caprice - two journalists at Germany's biggest tabloid magazine FLASH. Reporting on events around the world, they jet-set to meet celebrities, aristocracy, and members of high society. Maren and Caprice research their stories with hard-hitting dedication and even physically involved ...

-- Each episode is unique: sometimes gentle and other times a little rough. Different writers ensure each story's individual flair. Since each author maintains her own writing style, Caprice is a completely new erotic experience from one glamorous event to the next.
