Space Cruiser Musashi: a space opera novel Dean Chalmers

An explosive, sexy space adventure---a battered starship is reborn as the galaxy's greatest weapon vs. a horde of armored transhuman warriors!

The RCS Musashi is an antique ship—a last-chance posting for the unmotivated and undisciplined in the Fleet. But their captain, aging war hero Harrison Kane, believes that his crew of misfits can summon their talents to become the very best.

A disgraced XO...

the insubordinate bad-girl helmsman who relentlessly pursues her...

an arrogant and possibly psychotic telepath...

an engineer who relates emotionally only to machines...

a genetically engineered Marine Sergeant who strives to become a samurai warrior...

They will have to band together to stop the Valorian threat...

And stand together even when their own government stoops to betray them to appease the enemy.
