## **The Hyper-Grace Gospel: A Response to Michael Brown and Those Opposed to the Modern Grace Message** Paul Ellis

**Silver Medal Winner: 2015 Illumination Book Awards!** God's love for you is greater than you know! It extends beyond what you can conceive or imagine. Just as you cannot measure the universe, you cannot fathom the limits of His love for you. Grace is how God's love appears. God's grace is extreme, super-abundant, and over-the-top. His *hyper*-grace exceeds your wildest dreams. In this book, Paul Ellis draws a line between the muddled messages of manmade religion and the hyper-grace gospel of Jesus Christ. Drawing on insights gleaned from more than 40 grace preachers, he addresses common misperceptions and accusations some have made against the modern grace message. *The Hyper-Grace Gospel* will leave you marveling at the relentless love of your Father. It will show you how to walk in His amazing grace and help you rediscover the joy that is found in Jesus.
