A Hard Trip: A History of the 15th Mississippi Infantry, CSA Ben Wynne

Not strictly a military history, Ben Wynne examines in this book the social components of Confederate service in the context of the experiences of a single regiment. Using first person accounts from letters, diaries, memoirs and other primary materials, the book sets the 15th Mississippi in a personal context. The narrative is chronologically arranged by the events of the western theater of the Civil War. Emphasizing the real war and not a romanticized version, the story of this unique regiment follows a group of men who entered the war with visions of glory and honor but within one year came to recognize the true nature of the conflict.
