## **Dourado: A Dane Maddock Adventure (Dane Maddock Adventures Book 1) David Wood**

A sunken treasure. An ancient Biblical artifact. A mystery as old as humankind. On January 25, 1829, the Portuguese brig Dourado sank off the coast of Indonesia, losing its cargo of priceless treasures from the Holy Land. One of these lost relics holds the key to an ancient mystery. But someone does not want this treasure to come to light. When her father is murdered while searching for the Dourado, Kaylin Maxwell hires treasure hunter and former Navy Seal Dane Maddock and his partner Uriah "Bones" Bonebrake, to locate the Dourado, and recover a lost Biblical artifact, the truth behind which could shake the foundations of the church, and call into question the fundamentally held truths of human existence. Join Dane and Bones on a perilous adventure that carries them from the depths of the Pacific to ancient cities of stone as they unravel the mystery of the Dourado.

"A fast-paced adventure with action to spare. Dane Maddock is a hero cut from the Dirk Pitt mold, and "Bones" Bonebrake is the best sidekick around. If you like your thrillers with a touch mystery and Biblical archaeology, Dourado is the book for you." -- Megalith Book Reviews

"Dourado is a brisk read, reminiscent of early Cussler adventures. You'll definitely want more of Maddock." -- Sean Ellis, author of Dark Trinity- Ascendant
