**In Search of the Mountain of God: The Discovery of the Real Mt. Sinai** Robert Cornuke, David Halbrook

Armed with their courage, their determination, their wits and a Bible, Robert Cornuke and Larry Williams embarked on a journey to confirm the Bible as historically accurate. In the process they discovered not only their goal but a faith strengthened by the evidence. "When I stood on those scorched rocks, my life was changed at that moment," Cornuke would later recall. Sneaking across borders, crawling into forbidden military installations, and using night vision goggles to avoid being detected, these men pursued their mission. In Search of the Mountain of God tells the amazing story of the discovery of what they and others are convinced is the authentic location of the biblical Mt. Sinai. Their evidence and passion will make a believer out of you.
