Winter Kills

Richard Condon

Winter Kills Richard Condon

In WINTER KILLS, Richard Condon probes one of the most significant events in America's 20th century: the assassination of a president. Timothy Kegan is shot in a Philadelphia motorcade; a presidential commission condemns a lone psychopath as the killer. Fourteen years later, Tim's half-brother, Nick, learns through a deathbed confession that Tim was the victim of a mysterious conspiracy. As Nick attempts to find the real assassin, he encounters oil kings, movie queens, venal police, organized crime, the CIA, and labor unions -- all eager for power and control. The ending is guaranteed to surprise and horrify!
