Working with Emotions: Responding to the Challenge of Difficult Pupil Behaviour in Schools (Art)

Difficult pupil behaviour presents a number of issues for teachers, parents, other pupils as well as for children themselves. Inevitably it raises a number of emotions and challenges people's sense of their own personal effectiveness.

This edited collection of short, concise chapters provides advice and guidance to professionals on how to respond to the emotions experienced and generated by pupils with behavioural difficulties in schools. Many chapters are written by such professionals themselves and address common problems in a practical and accessible way. *Working with Emotions* is an essential text for all schools, support services, LEAs, SENCOs and voluntary agencies and includes discussions on the government's current Social Inclusion initiative.
