Accidentally Amish (Valley of Choice Book 1) Olivia Newport

Escape the helter-skelter of the modern culture and join software creator Annie Friesen, hiding at the home of an Amishman. With her high-tech career in jeopardy, Annie runs from fast-paced Colorado Springs—and straight into the hospitality of San Luis Valley's Amish community. There she meets cabinetmaker Rufus Beiler, and the more time she spends with him, the more attracted she becomes. When Annie finds she shares a common ancestor with Rufus, she feels both cultures colliding within her. But is her love for Rufus strong enough for her to give up the only life she's ever known?
