Dangerous Secrets

72,000 words!

Being a divorce attorney for the rich and famous isn't all it's cracked up to be. Julie Harrison has learned that love doesn't last, and she's sworn never to make the same mistakes as her mother, or her clients. She uses the games men play to keep them at a distance. The only man who managed to break down her walls was Luke Walker, a Navy SEAL who loved her and left her, and changed her forever.

When Luke arrives back in New York, running Walker Security with his brothers and having left his Navy SEAL days behind, he sets his sights on Julie, the woman he's always wanted and couldn't have. Except, she runs from him every time he gets close.

But now, one of Julie's clients, a powerful judge, gets involved with a dangerous cartel, and his soon-to-be-ex wife ends up dead. Julie's next on the list, and she finds herself on the run from those who believe she knows too much, and counting on Luke to keep her alive. In the deepest, darkest moments of the night, passion will bring them together while danger threatens to tear them apart. Can Julie and Luke trust each other and find their happy ending before they find ... the end?

Excerpt:

Her hand went to his wrist and heat darted up his arm, but it was the vulnerable, insecure look on her face that undid him. She didn't think he wanted her. Despite his attention, despite the kisses that would, and should have, set off a five-alarm blaze, she didn't know.

He slid his hand to her neck. "I only want one woman and that's you."

"Then act like it, Luke," she said, "because you're confusing me and I don't know what you want. I--"

He covered her mouth with his and for the first time since his return, he let her taste his desire, let her feel the hunger inside him that no one had sated since her. His hand slid over the sexy curve of her hip to the dip of her tiny waist.

Her arms wrapped around his neck, and she molded herself to his body. She was no longer vulnerable or timid. She was the seductress she could be, the seductress he knew had just lured him to the very place he'd sworn he wouldn't go. To the land of lust and forgetfulness where she ruled, where sex was a weapon, and a wall of separation grew despite the absence of clothing.
