Delphi Complete Works of William Shakespeare LITE (Illustrated) William Shakespeare

Finally, the world's greatest writer receives the scholarly Delphi treatment. Of course, there are many Shakespeare collections available on the Kindle, which is why we have made this edition, like all our other titles, the most comprehensive and scholarly works available, with superior formatting and those all important line numbers.

Features:

- * the bestselling Delphi edition of Shakespeare's plays and poetry presented with line numbers, ideal for students
- * annotated with concise introductions to the plays and other works
- * ALL 38 plays and each with their own contents table – navigate easily between acts and scenes – find that special quotation quickly!
- * contains a special LOST PLAYS section, with concise information on Shakespeare's lost works
- * includes the special bonus play of DOUBLE FALSEHOOD, which the critic Lewis Theobald claimed was Shakespeare's lost play in 1727. Decide for yourself – could this really be the long lost CARDENIO?
- * ALL the sonnets and other poetry, with excellent formatting in their own special contents table – find that special sonnet quickly and easily
- * scholarly ordering of texts into chronological order and literary genres
- * a front MASTER table of contents, allowing easy navigation around Shakespeare's oeuvre
- * includes a special 'Glossary of Elizabethan Language', aiding your comprehension of difficult words and phrases

Please note: This is the LITE version of our comprehensive eBook, still offering the complete works of Shakespeare. To purchase the full version, with play sources, hundreds of illustrations, all of the apocryphal plays and poetry, adaptations, numerous biographies and a treasure trove of critical work on the Bard please search for the 'Delphi Complete Works of Shakespeare' in the Amazon store.
