Sweet Shaven Angels 2

Mikhail Paramonov

Sweet Shaven Angels 2 Mikhail Paramonov

In the garden of Heaven, there is already a snake. As for the little juicy fruit Eve gave to humanity, it probably was, already, the carefully shaven genitals, pulpy and plump, that the girls display in this book with a smile. They offer themselves to be seen, self-confident, without hiding anything of their slit genitalia, like a tempting fruit. when they spread their thighs, they may unveil the little hill of their vulva but their cheeky looks and postures are always playful. Here we are in the realm of pretense, a world of fantasy where Eve's daughters become elusive fairies. Texts in English, German & French.
