The Waste Land: Includes Notes on "the waste land (T. S. Eliot)

T. S. Eliot

The Waste Land: Includes Notes on "the waste land (T. S. Eliot) T. S. Eliot

The Waste Land by T. S. Eliot - The Burial of the Dead - A Game of Chess - The Fire Sermon - Death by Water - What the Thunder Said - Notes on "the waste land" - Not only the title, but the plan and a good deal of the incidental symbolism of the poem were suggested by Miss Jessie L. Weston's book on the Grail legend: From Ritual to Romance (Macmillan).<1> Indeed, so deeply am I indebted, Miss Weston's book will elucidate the difficulties of the poem much better than my notes can do; and I recommend it (apart from the great interest of the book itself) to any who think such elucidation of the poem worth the trouble. To another work of anthropology I am indebted in general, one which has influenced our generation profoundly; I mean The Golden Bough; I have used especially the two volumes Adonis, Attis, Osiris. Anyone who is acquainted with these works will immediately recognise in the poem certain references to vegetation ceremonies.
