The Winning Season (Feeling the Heat Book 2) Alison Packard

Kelly Maxwell has finally landed her dream job as publicist for the San Francisco Blaze. But the team's newest member, handsome bad boy catcher Matt Scanlon, is refusing every interview. She's got to get him to open up before the season ends, or she may not be back next year. And after everything she overcame to achieve her dream, Kelly's not about to let that happen.

Matt Scanlon just wants to be left alone to rebuild his life *and* his career. After a year of masking the pain of a recent loss with hard partying and fast women, he finally hit rock bottom and was traded to a team he's loathed his entire life—a team with little to no chance at the post-season.

Butting heads is getting Kelly and Matt nowhere but annoyed, and with the team's schedule on the road, they can't avoid close quarters—or their surprising attraction to one another. As the season winds down, Matt finds his growing feelings for Kelly have brought his numbed emotions back to life. But when betrayal shatters their fragile trust, winning it all seems more impossible than ever.
