Clam Shacks: The Ultimate Guide and Trip Planner to New England's Most Fantastic Seafood Eateries Mike Urban

A guide book to the 75 best shacks in the Northeast with historical background, biographical portraits of the owners, highlights from the menu, driving directions, photos, recipes, and more.

The clam shacks scattered along New England's coastline have been magnets for tourists and locals for decades. These (for the most part) seasonal eateries are imbued with character, nostalgia, and plenty of good, fresh seafood that is nearly always taken from local waters. Deep-fried clams, scallops, flounder, lobster rolls, steamers, chowders, corn on the cob, french fries, onion rings, homemade ice cream--all these things scream summer, sun, sand, and fun along the hundreds of miles of New England shoreline. And the shacks themselves are sights to behold, many designed in whimsical motifs that are a delight when viewed from the road or (better yet) from a picnic table right on the premises. New England Clam Shacks will be a road-trip-style guide to the 75 or so best shacks, starting in Connecticut and heading north and east through Rhode Island, Massachusetts, New Hampshire, and Maine. Each shack entry will feature a lively general description and historical background; biographical portraits of the owners past and present; highlights from the menu; driving directions; and two to three photos of each establishment. Sidebars scattered throughout the guide will feature recipes, clam shack legends and lore, information on local fishing fleets, and personal reminiscences from a broad array of clam shack aficionados (some of them, hopefully, celebrities). In short, whatever fits the clam shack zeitgeist and spirit will find its way into this unique and useful take-along guidebook and trip planner.

If you want to test look for book, may be the reserve untitled Clam Shacks: The Ultimate Guide and Trip Planner to New England's Most Fantastic Seafood Eateries can be fine book to read. May be it can be best activity to you.

Antonio Fells:

This Clam Shacks: The Ultimate Guide and Trip Planner to New England's Most Fantastic Seafood Eateries is great reserve for you because the content which can be full of information for you who also always deal with world and also have to make decision every minute. This particular book reveal it details accurately using great coordinate word or we can say no rambling sentences within it. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but hard core information with wonderful delivering sentences. Having Clam Shacks: The Ultimate Guide and Trip Planner to New England's Most Fantastic Seafood Eateries in your hand like keeping the world in your arm, information in it is not ridiculous one. We can say that no book that offer you world with ten or fifteen moment right but this guide already do that. So , this really is good reading book. Hello Mr. and Mrs. active do you still doubt that will?

Angel Martinez:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for

yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Clam Shacks: The Ultimate Guide and Trip Planner to New England's Most Fantastic Seafood Eateries can make you really feel more interested to read.
