Margarita Mateo Palmer

Desde los blancos manicomios (Spanish Edition) Margarita Mateo Palmer

Una loca, nombrada Gelsomina en homenaje a un poeta suicida, es el centro de esta historia delirante en la que distintos personajes -la Marquesa Roja de discurso autoritario, la hermana residente en Miami, el hijo corredor, la paciente de la cama 23, una enfermera- giran en torno a una trama que tiene como centro el ambiente marginal de un manicomio. Desde esa perspectiva se narra el viaje hacia el fondo de la noche interior, atravesado por las angustias materiales y espirituales que estremecieron la isla en la terrible década terminal del siglo XX. Nacida de la entraña profunda de una experiencia desgarrante, esta novela, que obtuvo el Premio Nacional de la Crítica 2008, ha tenido una excelente acogida entre los lectores.
