## **Lincoln's Admiral: The Civil War Campaigns of David Farragut** James P Duffy

This book tells of the Civil War campaigns of David Farragut. Thoroughly researched and compellingly written, this book examines Farragut's command of the most daring and important assignment of the Civil War: the mission to recapture the vital Southern port of New Orleans.

*"Damn the torpedoes... Full speed ahead."* Admiral David Farragut's bold order at the Battle of Mobile Bay has served as a rallying cry for the United States Navy for a century. Described as "urbane" and "indomitable" by contemporaries, and lionized as an "American Viking" by the Northern press during the Civil War. Farragut was considered gallant, brilliant, and humane by friend and foe alike.

*Lincoln's Admiral* also offers insights into the Battle of Mobile Bay, arguably Farragut's most famous campaign. An expansive and compelling chronicle of Farragut's career, *Lincoln's Admiral* traces the brilliant decisions and wartime strategy of one of history's greatest military leaders.
