Lovely Knits for Little Girls: 20 Just-Right Patterns, Just for Girls Vibe Ulrik Sondergaard

While project books for making baby knits abound, what happens when your little cherub turns two? "Lovely Knits for Little Girls" solves the problem beautifully, with twenty patterns for pint-sized vests, dresses, sweaters, and skirts--all brimming with pretty, girly details. Forget about baby-weight yarn, tiny needles, and fussy patterns for clothes that are quickly outgrown. For "Lovely Knits," knitwear designer Vibe Sondegaard creates a bright, stylish, little-girl wardrobe of fabulous projects that knit up quickly and allow knitters plenty of opportunity for trying a few design tricks (cables, bobbles, lace patterns) on a manageable, kid-sized scale. Best of all, the pattern shapes size up or down easily (with back of book instruction on doing just that), making this collection versatile enough to use again and again.
