The Republic of Choice: Law, Authority, and Culture

Lawrence M. Friedman

The Republic of Choice: Law, Authority, and Culture Lawrence M. Friedman

In this imaginative exploration of modern legal culture, Lawrence Friedman addresses how the contemporary idea of individual rights has altered the legal systems and authority structures of Western societies. Every aspect of law, he argues--from civil rights to personal-injury litigation to divorce law--has been profoundly reshaped, reflecting the power of this concept.

The new individualism is quite different from that of the nineteenth century, which stressed self-control, discipline, and traditional group values. Modern individualism focuses on the individual as the starting and ending point of life and assumes a wide zone of choice. Choice is vital, fundamental: the right to develop oneself, to build up a life uniquely suited to oneself through free, open selection among forms, models, and lifestyles. With striking clarity and force, Friedman demonstrates how the new individualism results from changes in the technological and social framework of society. Loose, unconnected, free-floating, mobile: this is the modern individual, at least in comparison with the immediate past.

Written for the general reader as well as lawyers and legal scholars, *The Republic of Choice* offers keen and original observations about legal culture and the public consciousness that informs and expresses it.

Evelyn White:

Spent a free the perfect time to be fun activity to accomplish! A lot of people spent their free time with their family, or their very own friends. Usually they carrying out activity like watching television, likely to beach, or picnic inside the park. They actually doing same thing every week. Do you feel it? Do you want to something different to fill your free time/ holiday? Could be reading a book could be option to fill your cost-free time/ holiday. The first thing that you'll ask may be what kinds of book that you should read. If you want to consider look for book, may be the publication untitled The Republic of Choice: Law, Authority, and Culture can be great book to read. May be it is usually best activity to you.

Rafael Rainey:

Don't be worry when you are afraid that this book will filled the space in your house, you will get it in e-book method, more simple and reachable. This specific The Republic of Choice: Law, Authority, and Culture can give you a lot of buddies because by you looking at this one book you have point that they don't and make you actually more like an interesting person. This book can be one of a step for you to get success. This reserve offer you information that possibly your friend doesn't recognize, by knowing more than other make you to be great individuals. So , why hesitate? We need to have The Republic of Choice: Law, Authority, and Culture.

David Wood:

As a scholar exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore

this The Republic of Choice: Law, Authority, and Culture can make you sense more interested to read.
