The Seer's Guide to Symbolism: Similitudes, Metaphors, and Symbolism (The Seer Series) (Volume 4) Fred L. Raynaud

This book is the fourth book in the Seer Series. In volume one we explored the concept of the Seer gift and briefly looked at the language of visions and dreams. Book two examined how the seer gift operates while ministering to the sick and hurting. Book three we looked at the seer gift and its relationship to prophecy and the office of the Seer Prophet. In this volume we will look at symbolism and its relationship to the language of visions and dreams. The ministry of the prophetic to the body of Christ has always been a passion of mine, partially due to my own personal gifting from God, but more so to the impact it can have in the life of the believer. Visions and dreams are a big part of that gifting. This book is simple a guide for you to ponder as you pray about the symbols and metaphors God uses when speaking to you.
