## I like it dangerous.

These seven standalone stories each feature an **innocent coed** who gets *drilled, filled and punished by the man (or men) they've grown up with*. You can be sure that when these men finally get what they've been craving, they're going to be rough, and they're certainly not going to use protection.

This bundle is way **too taboo and controversial** to talk about in public. So click on the cover for a free sneak peek of these *rough, risky and raw tales* of punishment and lust.

Then buy or borrow Unprotected to find out just how wild these lucky ladies and luckier guys are going to get when they fulfill their **most forbidden fantasies**.
