## About ‘Jane Eyre’ by Charlotte Bronte

Jane Eyre (originally published as Jane Eyre: An Autobiography) is a novel by English writer Charlotte Brontë. It was published on 16 October 1847, by Smith, Elder & Co. of London, England, under the pen name "Currer Bell. The novel begins with the titular character Jane Eyre living with her maternal uncle's family, the Reeds, as a result of her uncle's dying wish. The novel starts when Jane is ten years old and several years after her parents died of typhus. Mr. Reed, Jane's uncle, was the only one in the Reed family to be kind to Jane. Jane's aunt, Sarah Reed, does not like her, treats her as a burden and discourages her children from associating with Jane. Mrs. Reed and her three children are abusive to Jane, physically, emotionally, and, as the reader is quick to realize, spiritually.
