## Moral Man and Immoral Society: Study in Ethics and Politics (Library of Theological Ethics)

Reinhold Niebuhr

*Moral Man and Immoral Society* is Reinhold Niebuhr's important early study in ethics and politics. Fortright and realistic, it discusses the inevitability of social conflict, the brutal behavior of human collectives of every sort, the inability of rationalists and social scientists to even imagine the realities of collective power, and, ultimately, how individual morality can overcome social immorality.

The Library of Theological Ethics series focuses on what it means to think theologically and ethically. It presents a selection of important and otherwise unavailable texts in easily accessible form. Volumes in this series will enable sustained dialogue with predecessors through reflection on classic works in the field.
