Sovereign Scriptural Segues: "To Be or Not to Be" J. George Lawrence

Many of Christ's disciples abandoned Him, because they could not accept His "hard" teaching noted in the book of John, chapter 6. This hard-hitting book mirrors the words of eternal life that the Holy Scriptures provide, enabling those who respond by grace (favor/power), through faith to share (not possess) that very life. The sovereign statements made by Jesus Christ require much of those to whom much is given, and indicate the need for perseverance. Christ will not believe, repent, continue (segue) in faith, or persevere for us, but will daily empower us to be more than conquerors of sin and the world. We are not helpless against sin and temptation, and we are commanded to stop sin in our lives by God's grace. With a unique approach to examining the sovereign scriptural segues presented throughout the Bible, this book will enlighten and hopefully inspire the reader to take a more serious look at all of God's Holy Word-His messages to us that are critical for victorious Christian living. Metaplasmic memory words; Post-modern, "Humpty-Dumpty" interpretation of Scripture; Biblical acronyms; In-depth analysis of Christ's exact words and parables; Conventional Greek grammar tenses. Much of Scripture is dedicated to correcting the tragedy of error which is prevalent in the lion's share of Christian literature. The truth that is often eclipsed is uncovered here. This presentation aims to lead toward greater unity and conformity to God's Will. To be-or not to be-in Christ.
