Tempest's Fury (The Lost Kingdom of Fallada) (Volume 4) Alicia Michaels

Gretchen Thomas isn't exactly princess material. She's not thin, perky, graceful, or refined. So, when a mysterious man claiming to be from another world appears, telling her that she's royalty, her first instinct is to laugh in his face. However, his assertion that she's from this strange parallel realm rings true—especially given the freakish abilities she's had since childhood. Yet, with that knowledge comes a set of expectations Gretchen isn't sure she can live up to. With an entire kingdom relying on her to fight for them against an evil queen, and a long lost family hoping to reunite with her, being a princess doesn't seem like all it's cracked up to be. One thing is for sure; when the war between good and evil spills over from one realm into another, disrupting her life and threatening the brother who raised her, Gretchen will not hesitate to unleash the powerful storm brewing inside of her.
