## **Thinking and Writing for Publication: A Guide for Teachers** Bonita L. Wilcox

Having work published is an important part of a teacher's professional development, but many educators are uncertain and apprehensive about how to write for publication. This "how-to" guide for teachers will make it easy. Adopting a reader-friendly tone and can-do attitude, author Wilcox explains the important role of thinking in writing for publication, and offers ideas for assessing and improving thinking. She explains how to organize a writing life and form a writing habit, and outlines potential writing outlets for educators. The book concludes by focusing on one type of professional publication - a book review - and explains why and how to submit a review for publication.
