Two bestselling books are now bundled together for one great price!

Hedging His Bets – Honey loves running her bar and grill, catering to humans and shifters alike. But there are two things that dim her love of the place: cocky assholes who think they own the world, and cocky assholes who think they can flex their muscles and wreck her bar when throwing a temper tantrum. Unfortunately, the drop-dead gorgeous, hotter than hot, shifter man she secretly loves is both.

Dragon Her Feet – Sometimes a girl’s gotta flex her quills and lay down the law... Katie Carmichael may not be a scary badass dragon capable of toasting her enemies to a crisp, but that doesn’t mean she’s a pushover. And sure, the roaring, fire-breathing hottie is, uh, hot, but she’s a chick with a plan. A plan that includes a secluded old farmhouse and doesn’t include a tall, heavily muscled, and totally delicious weredragon.

This book contains the following novellas in the Honey and Fur series: “Hedging His Bets” and “Dragon Her Feet”. If you already own these books, please do not purchase this title.
