I Dream of Flying Pancakes (And Other Dream Journal Stories) Clark Nielsen

Do you keep a dream journal? Well, you should! Dreams are fascinating and can make for some great short stories. At least, the author of *The Second Page* thinks so. Over the years, he has meticulously recorded every dream he could remember in as much detail as possible. *I Dream of Flying Pancakes* is a small collection of his favorite ones. With heavy fantasy and sci-fi themes, these 24 "stories" include everything from fighting dinosaurs to flirting with ghosts. No liberties were taken to make them more interesting. This is how they really played out. It wouldn't be a true celebration of the wacky randomness that is the dream world otherwise!
