Murder Below Montparnasse (An Aimée Leduc Investigation) Cara Black

A long-lost Modigliani portrait, a grieving brother's blood vendetta, a Soviet secret that's been buried for 80 years—Parisian private investigator Aimée Leduc's current case is her most exciting one yet.

The cobbled streets of Montparnasse might have been boho-chic in the 1920s, when artists, writers, and their muses drank absinthe and danced on cafe tables. But to Parisian private investigator Aimée Leduc, these streets hold darker secrets. When an old Russian man named Yuri hires Aimée to protect a priceless painting that just might be a Modigliani, she learns how deadly art theft can be. Yuri is found tortured to death in his atelier, and the painting is missing. Every time Aimée thinks she's found a new witness, the body count rises. What exactly is so special about this painting that so many people are willing to kill--and die--for it?

From the Hardcover edition.
