Kendall is a typical young woman. At twenty years of age, she goes to college online and works as a babysitter for her best friend Allison's father while her friend is off at college.

Mark Thomas, her employer, is a billionaire with a charming smile, and cool blue eyes. Kendall has had a crush on him from a young age, but she would never have dared to act on it.

It seems, though, that she has caught the attentions of her employer whether she wants them or not. The question is, will she maintain her good girl persona or finally pursue her wildest fantasies?
