Rachel Woodrow's job requires her to travel a lot, to exotic places that many people have only dreamt about. She's a strong, sexy, single woman who brings home a big paycheck but still hasn't found the right man to rock her world. Loneliness isn't an option and so, on her travels, she test-drives the men whom she fancies while still maintaining a few basic rules regarding passion and sex. But when she encounters two French men in Paris who have little respect for the rules, she discovers that sometimes, breaking the rules can be worth the intense pleasure that is sure to result...

Seduced in Paris is the length of a novelette, or about 10,000 words (50 pages). Erotica has a long history of celebrating the short form. I'm excited to be able to offer this work for free. Enjoy.
