Tao of Gender (Lao Tzu's Tao Te Ching Adapted for a New Age) Tarynn Witten

The concept of gender is one that is static for many and malleable for some. Many mistakenly interchange gender with sexuality. Some argue that it is cultural/environmental, while other say that it is genetic. What is gender? The answer continues to elude. Tarynn Whitten's introspective work seeks to explore the mystery of gender identity through an integration of various principles of Taoism. The Tao of Gender grew out of a personal need to provide peaceful reading for those who seek "The Way" on their journey through life, in a world where transgenderism and transsexuality are all too often misunderstood. The author hopes to help those on this journey to find balance by tapping into their infinite capacity for resourcefulness and wisdom within. What readers are saying This book is a gift of inspiration and insight for those who experience gender fluidity or want to explore the nature of trans-genderism. Tarynn artfully weaves the personal and the philosophical, creating a tapestry of gender and Taoism with threads of self-discovery and renewal.—Randi Ettner, Ph.D., author of Gender Loving Care; and Confessions of a Gender Defender
