This volume, one in the Undergraduate Companion series, focuses on American and British writers for children and young adults and is addressed to students in both English and Education classes. It provides both print and free online sources. Most undergraduates do not possess the research skills necessary to evaluate Web sites. This volume will address their needs by providing pathfinders to works by, about, and related to key writers of children's and young adult fiction. Included are entries for 185 British and American writers and writing teams, most from the 20th century. Young adult and adult. Grades 9 and up.
