Noel Williams, a lovable and flashy bad boy with a widely popular radio show, is the self proclaimed king in the art of sexual pursuit. As he injects his confrontational point of view on love and romance to his listeners, he uses his million dollar lifestyle to triumph over as many women as he can, minding none how much he uses or hurts them along the way. To him, it's all for the glory, the power, and the ratings. Noel's theories are then put to the test when his friend Warren, a gambling addict whose of British royalty and does well with the ladies in his own right, dares Noel to see who out of the two is the best in charming the opposite sex. Together with their friend Anthony, whose own issues with his fiancée are now beginning to exhaust him, Noel and Warren embark on a summer full of wild parties, uninhibited sex, deranged lovers, and dealing with unsavory characters that threaten to end their reign with blackmail, scandal, arson, and even attempted murder. Not to mention, there's an unexpected baby on the way. Wildly exciting, laugh out loud funny, and emotionally provoking, Dog'matic shows the cunning thoughts and games that are played for sex and control, and how men and women with incendiary ideas can turn love into a explosive battlefield
