"My heart was thumping like mad, I couldn't seem to read fast enough.....then the shocking ending comes!" - The Kindle Book Review

"Violence, angst and sexual tension abound."

No one escapes the night unscathed...

It has been days since Lily killed the vampire responsible for her brutal attack. Now she and Wolf have been summoned by the Society to answer for her actions. Standing before the Regent, she learns she has tipped the human and supernatural scales. A new vampire is required to restore balance.

When she hears the penalty for her crime, Wolf protectively steps in and accepts a dangerous task in exchange for her freedom. He must find the rogue vampire who has been slaughtering citizens in their territory or risk losing Lily to the Society. And he only has days to do it.

As the night of reckoning fast approaches, Lily finds an unlikely advocate in a centuries-old, seductive vampire named Athene who gives her an ominous warning. Athene knows secrets about Wolf she won't divulge, which only complicates the mysterious revelation Lily has recently discovered about herself.

Screams, growls, and cries echo throughout the darkest, desolate streets of the city. The final showdown determines who is predator and who will become prey. One thing remains certain-no one escapes the night unscathed.

Beast is the much anticipated sequel to Prey by James D Horton.
