Mengzi: With Selections from Traditional Commentaries (Hackett Classics) Mengzi

Bryan Van Norden's new translation of the *Mengzi* (*Mencius*) is accurate, philosophically nuanced, and fluent. Accompanied by selected passages from the classic commentary of Zhu Xi--one of the most influential and insightful interpreters of Confucianism--this edition provides readers with a parallel to the Chinese practice of reading a classic text alongside traditional commentaries. Also included are an Introduction that situates Mengzi and Zhu Xi in their intellectual and social contexts; a glossary of names, places and important terms; a selected bibliography; and an index.
