**Regarding Beauty** Arthur Danto, Neal Benezra, James Demetrian, Olga Viso

The lavishly illustrated *Regarding Beauty* surveys late twentieth-century Western art to address why the timeless notion of beauty has recently been so hotly contested and, in the 1980's and 1990's in particular, so highly politicized.... *Regarding Beauty* argues that beauty has not disappeared from the dialogue of art and that, on the contrary, it has persisted as an essential element in the evolution of art as the 20th century passes into history.
