For the first time ever, all three of my bestselling Star Wars books are available in a single bundle for a special discounted price! This bundle includes:

**The Unsolved Mysteries Of Star Wars:** The Star Wars saga is perhaps the greatest in movie history, yet so many important questions about the Jedi and Sith, the Skywalker family, and the Force remain unanswered to this day. For example, when Yoda told Obi Wan "No, there is another", are we sure he meant Princess Leia? Who knew Darth Vader's true identity? Why did Vader sense that Luke was his son, but not that Leia was his daughter? And perhaps the most pressing question of all, what happened to Jar Jar Binks after the Fall of the Jedi? The Unsolved Mysteries of Star Wars attempts to answer these and other mysteries!

**The Star Wars Book Of Lists:** Everyone loves a good list, and Star Wars fans are no different. The Star Wars Book Of Lists approaches Star Wars from a slightly different angle and presents everything in countdown list form. Who are the strongest Force users in the galaxy? What were the most irritating "improvements" George Lucas made in the Special Editions of the original trilogy? What were the biggest mistakes that led to the Fall of the Jedi? Who were the Empire's most inept members? The Star Wars Book Of Lists answers those questions and more!

**The Unsolved Mysteries Of Star Wars - Episode VII Edition:** The Unsolved Mysteries Of Star Wars is back with the second volume in the series, exclusively covering Episode VII: The Force Awakens! What happened to Rey's family, and who were they? Why did Kylo Ren turn to the Dark Side? Who is Supreme Leader Snoke? What really happened to Luke Skywalker? Who are the Knights of Ren? The Unsolved Mysteries of Star Wars: Episode VII Edition attempts to answer these questions and more!

Bonus features include:

- Star Wars: Where Are They Now?
- Jedi vs Sith: Which Is Really Better?
- Have You Seen Me? The People Who Should Have Been In Episode VII (But Weren't)
