The Complete Little Women Series: Little Women, Good Wives, Little Men, Jo's Boys (4 books in one)
Louisa May Alcott

Little Women is a novel by American author Louisa May Alcott (1832-1888).

The book was written and set in the Alcott family home, Orchard House, in Concord, Massachusetts. It was published in two volumes in 1868 and 1869. The novel follows the lives of four sisters - Meg, Jo, Beth, and Amy March - and is loosely based on the author's childhood experiences with her three sisters. The first volume, *Little Women*, was an immediate commercial and critical success, prompting the composition of the book's second volume, entitled *Good Wives*, which was also successful. Both books were first published as a single volume entitled *Little Women* in 1880. Alcott followed *Little Women* with two sequels, also featuring the March sisters: *Little Men* (1871) and *Jo's Boys* (1886).

Little Women was a fiction novel for girls that veered from the normal writings for children, especially girls, at the time. *Little Women* has three major themes: " domesticity, work, and true love. All of them are interdependent and each is necessary to the achievement of a heroine's individual identity.

Little Women itself "has been read as a romance or as a quest, or both. It has been read as a family drama that validates virtue over wealth." *Little Women* has been read "as a means of escaping that life by women who knew its gender constraints only too well." Alcott "combines many conventions of the sentimental novel with crucial ingredients of Romantic children's fiction, creating a new form of which *Little Women* is a unique model." Elbert argued that within *Little Women* can be found the first vision of the "American Girl" and that her multiple aspects are embodied in the differing March sisters.

Little Men, or Life at Plumfield with Jo's Boys is a novel by American author Louisa May Alcott, first published in 1871. The novel reprises characters from *Little Women* and is considered by some the second book of an unofficial *Little Women* trilogy, which is completed with Alcott's 1886 novel *Jo's Boys*, and *How They Turned Out: A Sequel to "Little Men"*. *Little Men* tells the story of Jo Bhaer and the children at Plumfield Estate School. The book was inspired by the death of Alcott's brother-in-law, which reveals itself in one of the last chapters, when a beloved character from *Little Women* passes away.
