They shoot horses, don't they?: A novel Horace McCoy

"Sordid, pathetic, senselessly exciting. . . has the immediacy and the significance of a nerve-shattering explosion."—*The New Republic*

The depression of the 1930s led people to desperate measures to survive. The marathon dance craze, which flourished at that time, seemed a simple way for people to earn extra money dancing the hours away for cash, for weeks at a time. But the underside of that craze was filled with a competition and violence unknown to most ballrooms.

Horace McCoy was born near Nashville, Tennessee in 1897. His novels include *I Should Have Stayed Home* (1938), and *Kiss Tomorrow Goodbye* (1948).
