Blue Book of Electric Guitars Zachary Fjestad

The guitar industry's most comprehensive publication on acoustic guitar information and pricing has been dramatically improved! The new 10th Anniversary Edition Blue Book of Electric Guitars™ is now over 1,000 pages, and features hundreds of new images. Written by Zachary Fjestad and edited by S.P. Fjestad, the fully revised 10th Anniversary Edition Blue Book of Electric Guitars keeps the reader up-to-date on new and vintage pricing, technical information on electric instruments, and serialization on most major trademarks. This Anniversary Edition lists the current and discontinued electric companies, contains a thoroughly revised Trademark Index with contact information, and features hundreds of B&W photos depicting popular makes and models. Reliable guitar information has never been easier! The new 10th Anniversary Edition also showcases a fully revised, full color Photo Grading System™ (a Blue Book Publications, Inc. exclusive!). The Photo Grading System™ is the consumer's best tool to correctly ascertain the various grades of both new and vintage acoustic instruments. These high resolution color photos enable even a novice to lock into each guitar's unique condition factor easily and accurately, showing a variety of real world condition factors over a wide range of instrument models and configurations. Why guess when you can be sure? Most of the information contained in the new 10th Anniversary Edition Blue Book of Electric Guitars™ is simply not available in any other single publication for any price – period. No other reference and value guide even comes close.
