Good Times, Bad Times: Led Zeppelin Jerry Prochnicky, Ralph Hulett

Good Times, Bad Times: Led Zeppelin captures the public and private lives of rock gods Led Zeppelin through rare and iconic photographs. More than any other band, they embodied the rock-star lifestyle of sex, drugs, and rock and roll and came to define the music and culture of the 1970s. Forty years after the release of their first album in 1969, Led Zeppelin—Jimmy Page, Robert Plant, John Paul Jones, and John Bonham—continues to fascinate and inspire legions of fans, young and old alike.

A general overview of the band's history will introduce the core of the book: a gallery of more than 200 photographs, laid out in chronological order, more than half of which have never been published. Whether onstage, backstage, recording in the studio, on tour, or at home—the band is shown as never before. From their very first performance in Denmark on September 7, 1968 (as the new Yardbirds) to their last performance in London in 2007, this collection of images will remind die-hard fans why the group became, and remains, one of the greatest and most notorious bands in the history of rock and roll.

From reader reviews:

Ryan Mendoza:

This Good Times, Bad Times: Led Zeppelin are generally reliable for you who want to be considered a successful person, why. The explanation of this Good Times, Bad Times: Led Zeppelin can be one of many great books you must have will be giving you more than just simple studying food but feed a person with information that maybe will shock your prior knowledge. This book is definitely handy, you can bring it almost everywhere and whenever your conditions both in e-book and printed ones. Beside that this Good Times, Bad Times: Led Zeppelin forcing you to have an enormous of experience for example rich vocabulary, giving you trial of critical thinking that we understand it useful in your day pastime. So , let's have it and revel in reading.

Wanda Crane:

People live in this new day time of lifestyle always make an effort to and must have the free time or they will get lots of stress from both way of life and work. So , whenever we ask do people have extra time, we will say absolutely yes. People is human not really a robot. Then we inquire again, what kind of activity are there when the spare time coming to anyone of course your answer can unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative throughout spending your spare time, often the book you have read will be Good Times, Bad Times: Led Zeppelin.

Yvonne Webb:

This Good Times, Bad Times: Led Zeppelin is great book for you because the content which is full of information for you who always deal with world and get to make decision every minute. This kind of book reveal it information accurately using great manage word or we can declare no rambling sentences included. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but challenging core information with beautiful delivering sentences. Having Good Times, Bad Times: Led Zeppelin in your hand like having the world in your arm, details in it is not ridiculous just one. We can say that no book that offer you world throughout ten or fifteen moment right but this guide already do that. So , this really is good reading book. Hey Mr. and Mrs. stressful do you still doubt this?

Jon Estrada:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring in addition to can't see colorful photos on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Good Times, Bad Times: Led Zeppelin can make you experience more

interested to read.
